

# Worried about Brexit?

As Brexit day draws ever nearer, and with many areas of the negotiations as yet to be agreed upon, Europe Direct Information Centre North Highlands & Islands (EDIC) would like to hear your concerns. Whether you are:

- A company worried about Brexit and how it impacts your business;
- A company employing EU nationals;
- An EU national worried about your status after Brexit;

get in touch.

In particular, we would like to hear from anyone who has been involved in the phased rollout of the EU Settlement Scheme, or who has concerns about how the scheme will impact them. Is the system working as promised? Is the guidance clear – do you understand what is involved in the process? EDIC has access to a team of specialist lawyers with expertise in citizens'

rights, and we are here to help anyone who has questions or concerns. You can find all the latest guidance and information on applying for settled or pre-settled status at [tinyurl.com/ukgovsettled](https://tinyurl.com/ukgovsettled).

If you are a business, British Chambers of Commerce has produced a Brexit Risk Register which is continuously updated and available at [tinyurl.com/bccbexitrisk](https://tinyurl.com/bccbexitrisk), and we are happy to answer any queries you might have.

So if you have any questions or concerns about Brexit or any other European matters, contact EDIC today on [europedirect@caithnesschamber.com](mailto:europedirect@caithnesschamber.com) or **01847 500108**.
