PROMOTE YOUR BUSINESS WITH CHAMBER MEMBERSHIP

Becoming a Chamber member is a great way to raise the profile of your business. With print and electronic newsletters, networking events and discounted rates on print and web advertising, Chamber membership provides you with a range of opportunities to promote what you have to offer.

As a member, you'll get a listing in the Caithness Chamber of Commerce members directory on our website, which is widely acknowledged as the first port of call when searching for products and services in Caithness.

Chamber members also get discounted rates for advertising on the Chamber website, offering you a great opportunity to get your

adverts seen by some of the key players in the Caithness business community.

Our quarterly newsletter in Executive Magazine gives you the chance to share news about your business with a readership of 30,000 across the Highlands and Islands, and Chamber members get access to heavily discounted advertising rates within the magazine.

We also have an electronic newsletter which goes out to Chamber members on a regular basis, giving you a great opportunity to share your news direct with the Chamber network.

Last but by no means least, the Chamber hosts a number of networking and social events throughout the year, including our popular Annual Dinner. As well as giving you a great chance to meet with like-minded businesspeople, we offer a range of sponsorship opportunities for these events – the perfect opportunity to raise your profile.

For more information on how becoming a Chamber member can help you promote your business, contact us today.
