# SAVE ON BUSINESS SERVICES WITH CHAMBER MEMBERSHIP

As a Chamber member, you can save money on a range of business services. Whether you're looking to hire a fully-featured conference room, rent a hot-desking space or serviced office, or simply need a virtual office in the area, the Chamber has something for you.

The Chamber manages the Naver Business Centre in Thurso, enabling us to offer our members a choice of meeting rooms for hire at concessionary rates. These light, modern spaces are available for hire from just £8 per hour and a range of additional services can be provided to meet your every need.

If you require office space in Caithness but don't need full-time office accommodation, we

can help provide you with a range of hot-desking options at competitive rates. With kitchen facilities, meeting rooms and a range of business services available on-site, this is an offer that's too good to miss.

For those looking for a more permanent option, we have a range of furnished, serviced offices available, with costs starting at just £140 per person per month including rates, insurance and electricity.

Finally, the Chamber has a range of business services on offer, including:

- Telephone answering
- Mail handling
- Secretarial services
- Book-keeping
- Payroll
- Human Resources
- Printing / photocopying

**Contact us today for more information on how you can start saving money on business services.**
